

## Hotel Front Desk

We are a reseller Agent for the Anand Systems Front Desk Software and have installed for some hotels.

ASI Front Desk - Hotel Motel, Property Management Software (PMS). Starting from 300\$ USD

For Hotel Software, we offer our flagship product ASI FrontDesk. It is a comprehensive software suite consisting of integrated modules for various aspects of hotel management. This class of software is often referred to as Property Management System in the industry. The important modules in the PM Software include, Hotel Management Software, Hotel Reservation Software (Billing Software), Hotel Reception Software and Hotel accounting software. In our lodging software all modules are tightly integrated and all hotel programs are included in one price, meaning all modules are included at no additional cost. Our Motel management software is developed for Microsoft Windows operating system.

ASI FrontDesk is general purpose hospitality software that can be used at hotels, motels, inns, resorts, lodges, hostel, military guest houses, ranch, suites, apartments, medical centers and bed & breakfast operations.
